

List of Preparers

Name, Area of Expertise, and Affiliation	Registrations and Education	Experience
Federal Highway Administration		
Stephanie Gibson Environmental Program Manager FHWA	B.S., Civil Engineering	22 years of experience in transportation, NEPA, and other environmental laws
Chris Horn Senior Operations Engineer FHWA	P.E. B.S., Civil Engineering	24 years of experience in transportation project development
Jeff Houk Air Quality Specialist FHWA Resource Center	B.S., Chemical Engineering	29 years of experience in transportation and air quality analysis and policy
Colorado Department of Transportation		
Ashley Bushey Historian CDOT	B.A., Social Studies M.S., Historic Preservation	7 years of experience in historic preservation/cultural resource management, including NRHP Section 106 compliance
Tony DeVito Project Director CDOT	P.E. B.S., Civil Engineering	25 years of experience in transportation management and executive leadership with CDOT
Vanessa Henderson I-70 East NEPA Manager CDOT	B.S., Geological Engineering	15 years of experience in environmental project management, impact analysis, and compliance
Keith Stefanik Resident Engineer CDOT	P.E. B.S., Civil Engineering Technology	14 years of experience in transportation engineering
Rebecca White Local Government Liaison CDOT	B.S., Political Science MPAff, Public Affairs	15 years of experience in environmental regulation, communications, and public affairs
Sabrina Williams Air Quality Specialist CDOT	B.S., Applied Mathematics and Environmental Engineering	12 years of experience in air quality analysis
Atkins and Subconsultants		
Jamie Archambeau Traffic Atkins	P.E. PTOE B.S., Civil Engineering	12 years of experience in traffic engineering
Alexandra Axley Noise Analysis Atkins	E.I.T. B.S., Civil Engineering	1 year of experience in traffic engineering

Name, Area of Expertise, and Affiliation	Registrations and Education	Experience
Atkins and Subconsultants		
Jacob Beedle Water Resources Atkins	P.E. CFM B.S., Geological Engineering	12 years of experience in drainage and water resources
Anahita Behrad Planning and Environmental Atkins	B.S., Urban and Regional Planning	7 years of experience in NEPA documentation, transportation planning, and public outreach
Rebecca Berzinis Planning and Environmental Atkins	PWS B.S., Biological Sciences M.S., Environmental Engineering Sciences	17 years of experience in environmental science, NEPA documentation, and ecological studies
Tina Brand Graphics Atkins	Commercial Art Technician Diploma A.A., Interactive Graphic Design A.A., Computer Graphics	23 years of experience in the visual communications field
Jason Bright Planning and Environmental Atkins	B.S., Anthropology M.S., Anthropology	20 years of experience in cultural resources, 10 years in Section 4(f) and NEPA documentation
Joshua Brooks Urban Design Design Workshop	B.S., Landscape Architecture with a Minor in Environmental Science	4 years of experience in landscape architecture and urban design
Heather Browning Project Coordination Atkins	B.S., Psychology	14 years of experience in program assistance
Janina Calderon Spanish Translation Calderon Hispanic Marketing	B.S., Marketing M.B.A.	26 years of experience in Spanish translation
Mark Daniels Air Quality Pinyon Environmental	E.I.T. B.S., Biology M.S., Quaternary Sciences M. Eng., Environmental Engineering	17 years of experience in air quality, water quality, and biological analysis
Scott Epstein Hazardous Materials and Historic Resources Pinyon Environmental	B.A., Environmental Studies	11 years of experience with due diligence and NEPA documentation
Darren Even Planning and Environmental Atkins	AICP B.S., Business Administration, M.U.R.P., Masters of Urban and Regional Planning	13 years of experience in planning and environmental analysis
Andrea Garcia Planning and Environmental Atkins	B.S., Forest Resources M.S., Urban and Regional Planning	18 years of experience in NEPA documentation and transportation planning
Chris Geddes Urban Design Design Workshop	B.S., Civil Engineering M.U.R.P., Masters of Urban and Regional Planning	16 years of experience in urban planning, landscape architecture, design guidelines documentation

Name, Area of Expertise, and Affiliation	Registrations and Education	Experience
Atkins and Subconsultants		
Stephen Harris Transportation Design Atkins	P.E. B.S., Civil Engineering	6 years of experience in transportation engineering design
Jeff Hebert Traffic Atkins	B.S., Mining Engineering	6 years of experience in traffic engineering
Josh Hollon Water Resources (Formerly with Atkins)	P.E. CFM B.S., Civil Engineering	15 years of experience in stormwater and floodplain management
Steve Hoover Planning and Environmental Atkins	AICP B.A., Environmental Studies M.S., Landscape Architecture M.S., Urban Planning	11 years of experience in environmental assessment and GIS
Andrew Iltis Planning and Environmental Atkins	B.A., Geography M.U.R.P., Masters of Urban and Regional Planning	6 years of experience in environmental planning, community engagement, and GIS
Jay Kramer Right of Way Atkins	B.A., Economics M.S., Real Estate	35 years of experience in real estate, including 14 years of experience in right of way
Robyn Kullas Hazardous Materials Pinyon Environmental	B.A., Psychology M.A., Environmental Science	9 years of experience in NEPA compliance, Phase I and Phase II Environmental Site Assessments, remediation, asbestos surveys (air and building), and technical writing
Dan Liddle Transportation Design Atkins	P.E. B.E.T., Civil Engineering	25 years of experience in highway design
Dianna Litvak Historic Resources Dill Historians	B.A., Anthropology M.A., History	24 years of experience in historic preservation, 8 years of Section 106 and Section 4(f) coordination with NEPA transportation projects
Rich McEldowney Environmental Sciences (Formerly with Atkins)	PWS B.S., Wildlife Biology M.S., Rangeland Ecosystem Science	19 years of experience as an ecologist and certified professional wetland scientist
Karol Miodonski Noise Analysis Atkins	P.E. CFM LEED AP, BD+C B.S., Civil Engineering	10 years of experience in transportation engineering
Brian Partington Hazardous Materials Pinyon Environmental	B.S., Environmental Science	15 years of hazardous materials experience, including Phase I and Phase II Environmental Site Assessments, remediation, and asbestos work
Ann Poitra Public Website, Photo Simulation, and 3D Visualization and Animation Poitra Visual Communications, LLC		25 years of experience in graphic and website design, photo simulation, 3D visualization and animation, and technical illustration

Name, Area of Expertise, and Affiliation	Registrations and Education	Experience
Atkins and Subconsultants		
Jessi Poitra Public Website, Photo Simulation, and 3D Visualization and Animation Poitra Visual Communications, LLC		18 years of experience in graphic and website design, photo simulation, 3D visualization and animation
Matt Poitra Public Website, Photo Simulation, and 3D Visualization and Animation Poitra Visual Communications, LLC	A.A., Architecture/Illustration	35 years of experience in bridge and transportation design, photo simulation, 3D visualization and animation, graphic and website design, and technical illustration
Tom Schilling Public Relations InterMountain Corporate Affairs	B.A., Journalism	37 years of experience in journalism and public affairs
Lukas Schroeder Planning and Environmental Atkins	B.S., Operations Management	3 years of experience in environmental planning
Brian Shaw Historic Resources Atkins	B.A., History M.A., History and Historic Preservation	15 years of experience in cultural resource management
Jarod Skrivanek GIS Analysis Atkins	G.I.S.P. CFM B.A., Geography/GIS	14 years of experience in GIS analysis/spatial processing
David Sprague Traffic Atkins	P.E. B.S., Aerospace Engineering M.S., Civil Engineering	22 years of experience in traffic engineering
Jenifer Sullivan Technical Editor Atkins	B.A., English	32 years of experience in technical writing and editing
Jen Wahlers Historic Resources Pinyon Environmental	B.A., Art History and Spanish M.H.P., Master of Historic Preservation	7 years of experience as historic preservation professional
Liz Walker Historic Resources Pinyon Environmental	B.A., History M.A., American Civilization	20 years of experience in historical research and museum consulting
Carrie Wallis Project Management Atkins	P.E. LEED AP B.S., Civil Engineering	15 years of experience in transportation planning, engineering, and environmental analysis, specializing in the development of NEPA planning documents
Jerry Waterman Transportation Design Atkins	P.E. A.S., Mechanical Engineering	26 years of experience in transportation engineering including roadway, highway, transit, and pedestrian facility design and project management
Kirk Webb Planning and Environmental Atkins	B.A., Geography	13 years of experience in highway project planning and NEPA

Name, Area of Expertise, and Affiliation	Registrations and Education	Experience
Atkins and Subconsultants		
Meredith Wenskoski Urban Design Design Workshop	PLA LEED AP B.S., Landscape Horticulture Master of Landscape Architecture	10 years of experience in planning urban design, landscape architecture, and public engagement specializing in urban redevelopment areas
Justin Withee Traffic Atkins	P.E. B.S., Civil Engineering	8 years of experience in traffic engineering
