

## Planning for the Highway Cover Near Swansea Elementary School

### Goals of the planning effort:

- Involve the entire Elyria Swansea community to encourage neighborhood revitalization efforts
- Restore and enhance a community core to the Elyria Swansea neighborhood
- Provide enhanced connectivity between neighborhoods north and south of I-70
- Offer new recreational opportunities for Elyria Swansea community while also providing critical program needs of Swansea Elementary School
- Create a safe, comfortable, livable and human-scaled environment

### Planning Committees:

**Governance/Executive Team:** Team members will be high level decision makers from the City and County of Denver, CDOT, and Denver Public Schools. They will make key decisions concerning ownership and management of the cover.

**Community Advisory Committee:** Team members will represent the interests of the Elyria Swansea neighborhood and include members of the community, school parents, and local community groups. They will lend expertise and feedback. They may also reach out to other local groups.

**Technical Committee:** Team members will support all efforts and will provide subject matter expertise.

**Citizen Input and Public Meetings:** There will be opportunities for everyone to provide input and feedback through public meetings, the website, and Community Leaders meetings.
