

What happened after the 2008 Draft EIS?

**Lack of public support on any of
the Draft EIS alternatives**

**Failed to reach a consensus with
the PACT process**

**Revisited previously eliminated
alternatives**

**Developed and modified the
alternatives to address public and
agency concerns to the extent possible**

**Currently preparing a
Supplemental Draft EIS**

What is a Supplemental Draft EIS?

Whenever there are changes, new information, or further developments on a project that result in significant environmental impacts not identified in the most recently distributed version of the draft or final EIS, a supplemental EIS is necessary
