

How much does this project cost?

Total funding for a preferred alternative has not been identified at this time. During the development of the Final EIS, consideration will be given to a phased Record of Decision (ROD) which would allow CDOT to fund and implement elements of the preferred alternative over an extended period of time.

		Project cost (\$ million, 2012)		
		Brighton Blvd - Colorado Blvd	Colorado Blvd - Tower Rd	Project Total
 No-Action	North	\$570	-	\$570
	South	\$710 – \$855	-	\$710 – \$855
 Current Alignment Revised Viaduct	North	\$965	\$720	\$1,685
	South	\$1,130 – \$1,270	\$715	\$1,845 – \$1,985
 Current Alignment Partial Cover Lowered	North	\$1,070 (Cover – \$90)	\$715	\$1,785
