

How many houses and businesses will be acquired and relocated with each alternative option?

The alternatives under consideration require land from private and public properties and will also require the relocation of businesses and persons residing in the project area.

Acquisition and relocation services will follow state and federal policies and procedures.

	 No-Action	 Current Alignment Revised Viaduct	 Current Alignment Partial Cover Lowered
Housing units	 North Option: 12 South Option: 12	 North Option: 37 South Option: 43	 North Option: 54
Businesses	 North Option: 4 South Option: 10	 North Option: 13 South Option: 19	 North Option: 18
Swansea Elementary School	 North Option: 0 South Option: 0	 North Option: 0* South Option: 0	 North Option: 0

* DPS does not support the Revised Viaduct North school site plan configuration due to the proximity of the elevated highway
