

WELCOME

to the

I-70 East Public Meeting

Today the I-70 East Collaborative Team (PACT) invites you to provide input on the alignment of the highway between Brighton Blvd. and I-270.

- **Please take this opportunity to learn more about the project and the PACT process in the exhibits throughout the room.**
- **Then join us at a discussion table and/or fill out a comment sheet to provide us with your input.**

PACT members with the blue name badges are available throughout and at discussion tables to get your comments, answer your questions, or discuss your concerns.

THANK YOU

for taking the time to get involved.
