

Join CDOT and the High Performance Transportation Enterprise (HPTE) to learn about the I-70 East Environmental Impact Statement (EIS) status, public-private partnerships and the next steps in the process -- the Request for Proposals (RFP).

# OPEN HOUSE

These meetings will provide an opportunity to learn more and give input on: the proposed project's mitigations, aesthetics through the project, what the Phase 1 project includes, public-private partnerships, and the RFP process. The Federal Highway Administration (FHWA) is also providing the public the opportunity to review and comment on how the project will affect and mitigate the South Platte River Trail.
